ABOUT US

The story of Dogfish Head® began in June of 1995 when we opened Dogfish Head Brewings & Eats® – First Brewpub in the First State™. The plan was to bring original beer, original food & original music to the area & we did just that!

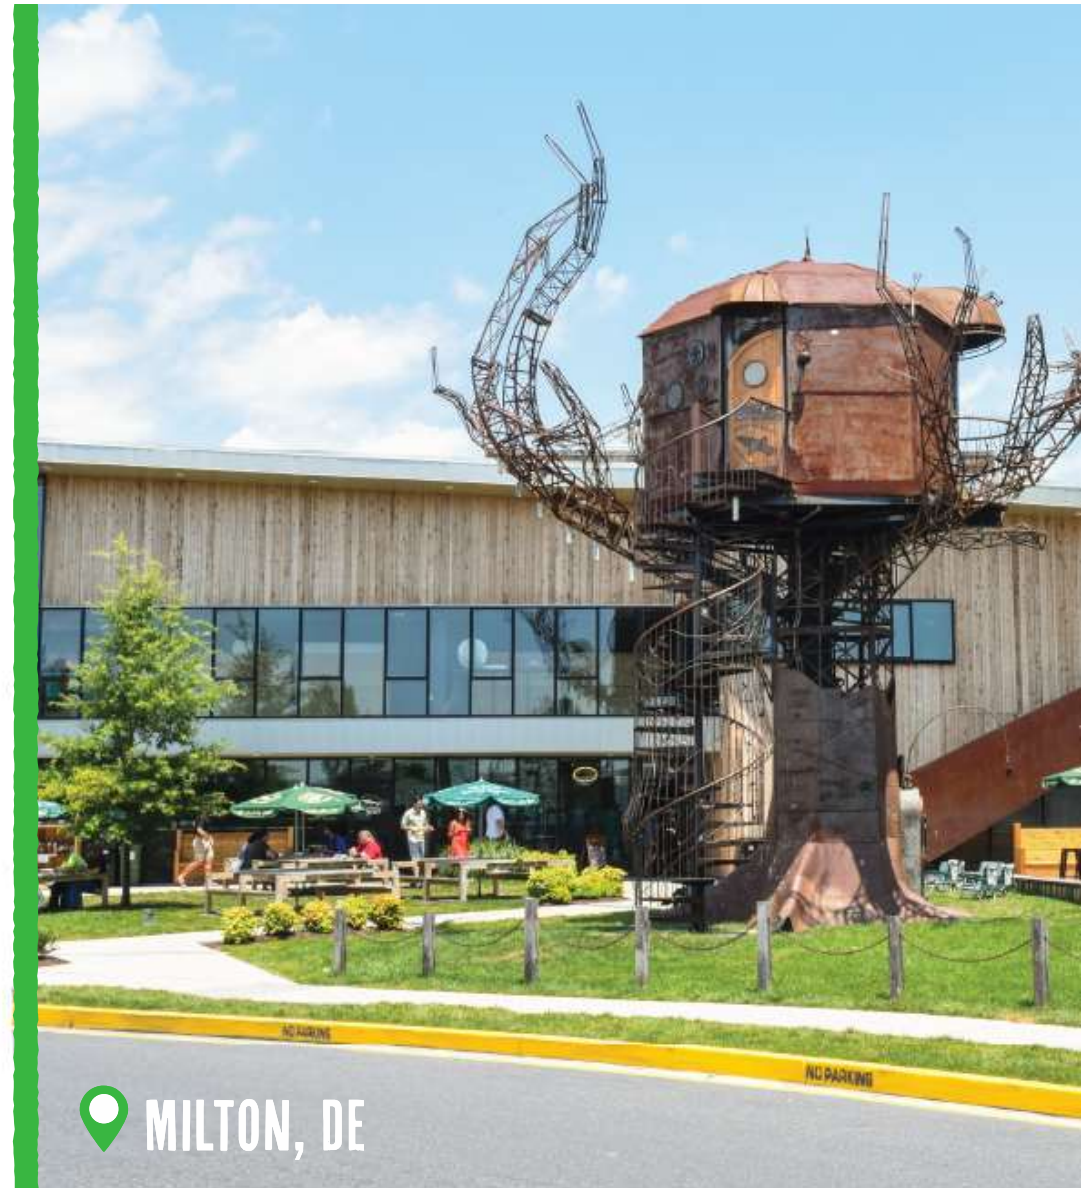

OUR LOCATIONS

We love to party here at Dogfish Head®, which is why we're pleased to offer an endless variety of experiences for weddings, corporate events & special celebrations. With four properties located across coastal Delaware, each offers its own unique look & feel.

The Milton Brewery consists of both indoor & outdoor spaces. We offer 40+ beer & cocktail taps, where you'll find the freshest Off-Centered ales in all the land.
